## **DRAFT PERMIT TO OPERATE A WASTE TIRE STORAGE FACILITY**

The Executive Secretary of the Utah Solid and Hazardous Waste Control Board is proposing to issue a Permit to Operate a Waste Tire Storage Facility at Miller Motorsports Park, Utah, LLC. A Waste Tire Storage Facility is needed by the Miller Motorsports Park as part of the basic safety system. The tires are placed in a way that structures are created to cushion any impact by racing vehicles. The use of the waste tires constitutes storage and requires a permit.

The public comment period for the Permit to Operate a Waste Tire Storage Facility will begin on February 7, 2006, and ends March 6, 2006. Copies of the Permit to Operate a Waste Tire Storage Facility and related documents can be viewed on the Internet at [www.hazardouswaste.utah.gov](http://www.hazardouswaste.utah.gov) and are available for public review during normal business hours at the following location.
